You'll rely on his skills and techniques to get through each map, slowly but surely becoming the Dark Knight. Set inside the heavily fortified walls of a sprawling district in the heart of Gotham City, this highly anticipated sequel introduces a brand-new story that draws together a new all-star cast of classic characters and murderous villains from the Batman universe, as well as a vast range of new and enhanced gameplay features to deliver the ultimate experience as the Dark Knight. The origins of Batman are pretty well known by comic book fans these days – Bruce Wayne's parents are killed, and he soon toughens up and becomes Gotham City's avenger – but now you can play the legacy for yourself, as WB Games will release a new Initiation DLC pack for Batman: Arkham Origins starting today, right now you can download the games torrents.
