

In 1999, a film was released that would later be deemed the mother of all zombie movies. It is a story of survival and what it means to live life on Earth after the apocalypse. In an interview with The Hollywood Reporter, the director talks about how he wanted to create something that showed just how beautiful life can still be after its darkest hour. The director has managed to balance beautiful shots of nature with horrifying zombies, effectively creating an aesthetic that will forever haunt movie buffs everywhere. Stay tuned for many more entries in this series! End.Of.Days.1999. BRrip.720p.Dual.Audio.Eng-Hindi-MSBHATTI [First titled the film "End of Days" (1999) and re-released it with little or no changes in 2000 after the release of "Resident Evil" (2002), but retaining the same voiceover, which was taken directly from the television airing in 1999." ***** He also wrote ""The Postman" (1997) starring Kevin Costner."

Directed by Jim Gillespie (). The film was filmed in Vancouver, British Columbia, Canada. This film is based on the novel of the same name by Richard Paul Evans. A drama starring Ben Affleck, Charlize Theron, James Garner, Nick Nolte, Denise Di Novi and Anna Shapiro. Directed by Christopher Nolan (). Directed by Ridley Scott (). The film was filmed in Matera, Basilicata region in the South of Italy. Directed by David Cronenberg (). A gory horror film based on the novel of the same name by Stephen King. The title character of the novel is different from its film counterpart. Although made for TV series with some episodes being 90 minutes long it was aired on network television instead on cable TV. It also had more graphic scenes than typical for a television show at that time. It served as a backdoor pilot for an ongoing series, but was not successful enough to be turned into one. Directed by Robert Rodriguez (). The film was filmed in Austin, Texas and Matera, Basilicata region in the South of Italy. This is a sequel of the (1992) (released in 2000). It is based on "From Dusk Till Dawn" (1996), which is based on the novel "".

Directed by Danny Boyle (). Set in Great Britain and United States. The title character is different from its film counterpart with this version being more villain than victim with supernatural powers and superhuman abilities. Directed by Alejandro González Iñárritu (). Set in Mexico, Berlin and USA. The title character is different from the original. The plot is also changed with many references to Mexican drug cartels.

Directed by David Twohy (). Set in Great Britain and United States. Directed by John Frankenheimer (). This film is about "how perfect strangers, when thrown together by extraordinary circumstances, can either be each other's salvation or each other's undoing". It is titled after the novel by Jodi Picoult. Directed by Jeff Kanew (). Filmed in Australia and London in Great Britain. This film is based on the novel of the same name by Nicholas Sparks. Directed by Christopher Nolan ().
